

FOOD SAFETY POLICY

Citrus Juice is committed to:

- ✓ Develop quality and safe products, respecting socio-environmental issues, which do not pose a risk to the health of consumers and meet the expectations of its customers, considering regulatory and statutory requirements;
- ✓ Maintain effective communication with all areas involved in the process as partners, suppliers, customers, employees and regulatory entities, aiming at the continuous improvement of the management system;
- ✓ Comply with the applicable requirements for continuous improvement of the effectiveness of the Management System;
- ✓ Train and develop employees, ensuring the necessary skills, developing an organizational culture and people's commitment to teamwork for the production of quality and safe food.
- ✓ Serve the interests of customers, employees, the community, partners and stakeholders in an integrated manner.

MISSION

Citrus Juice's objective is to produce concentrated and clarified juices, essential oils and dried peel in a safe and quality way, suited to the needs of its customers, contributing to the development of the region where it operates.

VISION

The company aims to become one of the largest Brazilian producers and exporters of concentrated and clarified juices, essential oils and dried peel.
