

Citrus Juice and Verbruggen Juice Trading every day working on sustainable partnership!

Citrus Juice as well as Verbruggen Juice Trading believe in the power of teamwork. We work closely together and do our business all over the world. The partnership between both families Gonçalves and Verbruggen goes back for over 20 years now. Our objective is always a long-term collaboration; especially with our customers.

Verbruggen Juice Trading represents the logistical and commercial interests for **Citrus Juice** in the European Union.

Verbruggen Juice Trading: Experience our added value!

For more than 25 years Verbruggen Juice Trading has been active on the international market for juice trading, blending and logistics. In the meantime, our family business has developed into a well-known player in this international field. We know the fruit juice industry inside out, have blending expertise in-house and a good understanding of the logistic process. We would like to share our knowledge with you.
